

Northside®

WINTER BOOT GIVEAWAY

The fun and funky Bishop winter boot has plenty of Nordic flair with a patterned knit band and padded faux fur collar that means it's at home in a wintry carpool run or lounging at the ski lodge with a hot chocolate. This boot snugs up easily with D-Ring speed laces on the 12-inch distressed uppers, and Nor-Foam insulation keeps feet warm and toasty down to -10 degrees F.
